

# TouchApp Privacy Policy

## Your Information

TouchApp privacy policy covers the collection and use of personal information that may be collected by TouchApp App anytime you interact with TouchApp App such as when you purchase a TouchApp App product, use TouchApp website, contact a technical support or sales associate, sign up for an e-newsletter or request a download of demonstration software.

We collect your personal information because it assists us in delivering a high level of customer service. For example, your personal information helps us to keep you informed and up-to-date on the latest product updates and announcements as well as special offers that may be extended from time to time.

When you provide TouchApp with your name, email address, mailing address or telephone number, and you do not "opt-out", TouchApp may use the provided information to alert you to product updates, special offers, updated information, new products and other TouchApp information.

## Protecting Your Personal Information

Once your information has been received by TouchApp, we will make our best effort to ensure the safety and security on our systems. TouchApp does not offer, sell, or otherwise make available any user-provided information to third parties. If you do not want TouchApp to contact you, you may "opt-out" at any time. You may "opt-out" by contacting TouchApp by the information provided below or by following the instructions included in the email correspondence. We will make every effort to preserve the privacy of our users; at times we may be required by law to disclose personal information.

## California Online Privacy Protection Act Compliance

Because we value your privacy we have taken the necessary precautions to be in compliance with the California Online Privacy Protection Act. We therefore will not distribute your personal information to outside parties without your consent.

## Changes to our Privacy Policy

If we decide to change our privacy policy, we will post those changes on this page.
